

**RUN IN THE MUD:** A muddy Joe Blackett of Dark Peak Athletic Club competed in the Withins Skyline Race at Penistone Hill in Haworth on Sunday.

"I tried to ring Colin but couldn't get in touch because of the reception in the mountains. I had a wave of anxiety but Colin has been doing these kinds of things for years so I knew he was prepared for the worst."

Despite what happened this year, do not expect Colin to give up competing in future mountain marathons.

"It's a big event that's held every year. It just happened to be a bit wilder than normal this year."
