Rivington Pike : History and Fell Race

A 200 page book including over 140 illustrations.

The book covers the history of the Pike tower and describes places of historic interest which are found on the course taken by the Pike Race. A review of the development of "pedestrianism" from the late 1800's leads on to the history of the Rivington Pike Fell Race itself. The fell race is considered to be the second oldest in the country, and is a classic short fell race.

Copies of the book are available at a price of £9.95 plus £1.65 post and packing from
