

BUNNY RUN RELAY - THE SUNNY ONE !
TUESDAY 3RD MAY 2005 2MILE/250FT

The same mens team won again, just that they renamed themselves the North X1, why who knows, but they easily beat the Bingley Boys, and provided the fastest man that night, Mark Buckingham with 12-27, the 3rd fastest ever time. This year saw 2 solo runners, with 17 year old Alistair Brownlee finishing 5th overall with some impressive running, although the bog monster managed to suck him in on first leg, hence he finished covered from head to toe in grime. The other solo runner finished 17th overall, Mark Richards, who entered as the Lonely Heart, and had competed in costume at the London marathon as a heart to finish there in 3hrs 1mins, and first fancy dress. In the ladies Sharon Taylor ran the fastest time, 15-44, which puts her 6th on the all time list, with team mate Lou Roberts doing 15-51 and along with Saz Rowell, 16-48, Team 100 took the honours. Why Team 100 ? It was their combined ages. Under 14 Amy McGivern ran the 3rd fastest that night, 15-53 and along with sister Ruth, and Beth Pettit took the FU16 honours. 60 teams competed, with a change from the egg baton, this year saw the baton being a box of 3 Cadbury's Crème Eggs, it was up to the 3 of you to get them round safely, and then scoff them.
