The 20<sup>th</sup> annual Stoop race brought real festive weather in the form of ice and snow which put paid to sport in general over Britain. But fell runners being a hardy breed who simply relish such extreme conditions took it all in their stride, in fact one could say the harder it is the more fun they have. True to form 186 senior runners took to Penistone Hill to run a revised course for safety reasons, indeed it was the original route, to the top of Oxenhope Stoop standing stone and straight back. It was 35 year old Rob Hope, the British champion for the last three years and six times Stoop winner who broke trail with twice Stoop winner and record holder, Andi Jones, in close pursuit. Both these were first to the snowy summit turn with lan Holmes some ten seconds behind, on the interestingly tricky technical descent Andi finally lost ground on the bracken banking, 'it just wasn't worth taking another tumble or two, so I kind of held back,' said Andi. Ten times winner Ian now 44 simply skipped down the descent he knows so well, but he did make a huge mistake from the summit, 'my cunning plan was to cut the corner, but it was a big, big mistake as I ran into deep snow and ended up even further behind Rob and Andi by the time I got back on to the path. By the beck crossing Rob and I were neck and neck but from there Rob slowly opened a yard or two. I was closing at the end, and kept telling myself I was an idiot to have let him go away after the beck. At the finish I just wish I had tried a bit harder.' said four times British and five times English champion Ian, who is the current English V40 champion. Although only three seconds separated the two at the finish Rob was always confident he would win, with the belief if he crossed the beck first the race was his, and he looked a real cool dude crossing the finish line for the seventh time still wearing his sunglasses. Will Rob attain the dizzy heights of ten wins like Ian, maybe! But Ian did it on the trot where as Rob must rue the day Andi Jones beat him in 2007. S

25 year old Helen Glover of Keighley and Craven won the ladies to add to her Soreen Stanbury Splash and Bunny Run wins finishing nearly three minutes ahead of Wharfedale Harrier Tamara Hird, with 20 year old Victoria Stevens third, Victoria led Ilkley Harriers to the ladies team prizes with Kate Archer eighth and Catherine Gibbons sixteenth. 50 year old Caroline Pollard of North York Moors AC ran outstandingly being the nearest runner to get anywhere near any of the old records, Caroline finished only 41 seconds outside the 2003 time of Jo Prowse. Many thanks to Lyn Eden of Ilkley Harriers who gave up racing proper to act as the sweeper for the organisers, and keep you all safe. Runners partners have much to put up with, well Angela Donlan from Barnoldswick who finished eleventh has a real gem in partner Paul Crabtree, who acted as the summit marshall braving the worst of the elements. Why you may ask, well it was so mad keen Angela could have an entry for the already full Auld Lang Syne race, now that's love for you!

71 juniors braved the elements to conquer the snow bound Curly Wurly quarry courses, where amendments had to be made to the courses taking out the craggy quarry climb, which was a little too icy for the organisers liking. The changes meant it was a steeper climb out of Penistone Hill quarry and more testing because of the snow, otherwise the routes were as normal, except the lake they normally traverse was frozen solid, and the under 16 race was reduced to one lap. Keighley and Cravens Elliot Brett won the under 8 race from seven year old's Jonathan Evans and George Hobbs, while Ruby Schofield of Pendle AC finished fifth overall. Both Elliot and Ruby received applause from the seniors and had the honour of shouting a loud 'GO', as the snow swept in again. Then it was a quick dash back to the warmth of West End Cricket Club and the junior prize giving and of course chocolate throw out. In 6.28 under 14 James Hall of Wharfedale led home the cavalry charge of the combined U10, U12, U14 and U16 races, and in the girls Harmony Waterman of Holmfirth Harriers by finishing sixth overall and first girl showed her talent, especially since she is only twelve. Harmony is just one of nine in the Waterman household with Sunnivah, Tireis and Seth all running the race, Harmony just finished behind 11 year old Seth who she trains with, and gives him credit for her improvement, although one day soon she hopes to beat him. Both are rising sporting stars taking part in swimming for the Borough of Kirklees, running for Holmfirth Harriers and triathlon events for Holmfirth Harriers Tri Club. Harmony won the National Tri champs in September in Wales, and on the bike the National Hill Climb champs in October, goodness knows how she manages all the training with playing the piano and violin, but determination could be her middle name; her heroes are of course Lance Armstrong and Kelly Holmes. Good to see even though the conditions were a little on the chilly side and more challenging than normal, fancy dress was still evident, the Chri
