

Nine o' clock on Penistone Hill, blue skies sat over the Haworth Moorland and with the snow covering it was a Christmas picture postcard setting, add in to the equation that to celebrate the 21st running of this race all competitors had to wear a Santa hat throughout the race which was given free at registration all was in place to make this a great spectacle. Imagine 200 Santa hats bobbing up and down as they snaked over the moors to the Stoop checkpoint, what fantastic photos and video would have been had. But by 9.30am the English weather had put paid to those thoughts with a blanket of mist enveloping everything in it's path. Disappointing, yes, but the plus side was there was a race to be run! This mist along with the atrocious winter weather recently meant that the original up and down route of Oxenhope Stoop was brought in to play for the second year running, mind you with the rest of Britain in grid lock because of the snow and ice, and virtually all other sport events cancelled we considered ourselves 'lucky'. Under 8 winner Callum Durrans shouted '**GO**' to the 182 sea of Santa hats assembled in the quarry, off they went in to the mist, Ian 'the legend' Holmes won for the 11th time, although this was his first time since the year 2000. 45 year old Ian had 32 year old Andi Jones, the 2005 and 2007 winner who competed in the marathon at the European and Commonwealth Games this year for company, but managed to shake him off on the frozen bracken banking to win by 13 seconds. 'My piter patter style works better in these snowy and icy conditions, Andi and Tom Adams were slipping and sliding a lot more due to their stride length', said Ian who has now won the V40 category for the last six years, he is also the record holder for this route at 26.36 set in 1995. Tom Adams finished third and improved his time by 1.41, while U23 English champion Sam Tosh was fourth also improving his time by 1.34. The Wharfedale boys of Gareth Hird, 6th, Nicholas Charlesworth, 7th and Matthew Athersmith in 8th won the Christmas yard of Jaffa cakes each.

'Scary' Mary Wilkinson, the Bunny Run record holder lived up to her name by scaring most of the men folk by finishing fifteenth overall, scaring under 18 winner Jonnie Bradshaw, previous Bunny Run winner Mick Hill and Tom Sessford in to running a lot faster than they would have done as she won her second Stoop event. The last one was in 2001 when she was then a 21-year old, Mary the then Yorkshire fell Champion finished in 69th place with a time of 36:21. 2001 was the year the Brownlee brothers Alistair and Jonathan first ran a fell race, competing in the junior races. Withins Skyline winner, Jo Buckley and 2009 Stoop winner Helen Glover had a right old tussle for the runner up spot with only 7 seconds separating them at the end, with 34 year old Jo prevailing. 26 year old Helen did have the consolation that she ran 1 minute faster than last year, while Ian and Andi were slower. What a gal, Nichola Jackson showed all the competitors up by setting a new record in the U18 category for this route, the Preston Harrier took 49 seconds off Emma Hopkinson's 1997 time. Sorry for the mistake in the ladies team it was the girls of Calder Valley fell runners who won with Jo Buckley 2nd, Barbara Lonsdale, 9th and Cerys Davies in 11th.

83 Santa hat clad juniors tackled the snow bound Quarry courses, where amendments had to be made to the routes taking out the craggy quarry climb, which was too snowy and icy, while in the longer races the lake was frozen solid and covered in snow, so a slight re-route was done here, to stop any over zealous youngster being tempted to cut diagonally across. Holmfirth Harrier Callum Durrans won the U8's race in 2.47, Freddie Harris finished second, just, with Jack Muir in third who ran dressed in a Santa Claus costume. Ella Atkins won the girls again 'just' from Annie Brown who ran as Mrs. Claus with Amelie Stewart in third. U14 English silver medallist James Hall won the combined U10, 12 & 14 race for the second year in a row from Tom McGuinness, Tom's sister, Lily won the GU12 category in sixth overall. U12 English champion, Seth Waterman finished fourth and first U12, another Holmfirth Harrier Jimmy Burke won the U10, and yet another Sophie Spencer won the GU14. Clayton Le Moors who have never had juniors before have opened their doors to the younger element and the historic vest made famous by Ron Hill, Harry Walker, Sean Livesey, the late Stan Bradshaw and Vanessa Peacock to name but a few is being carried with pride and success now by Natalya Irvine the GU10 winner. Sam Haggard won the U16 race in 12.49, while saying fairwell to the junior section, Rosie Hellawell ended her Quarry Run career with yet another win, Rosie has come through all the age groups and is a shining example to any youngster, that cheeky smile and banter is what the sport is all about. Watch out seniors - **here comes Rosie!** Many thanks to all who ran in fancy dress sorry we only had eight yards of Jaffa Cakes, hope the winners Ciaren Crabtree, Lewis Hodgson, Kieran Green, Kitty Ballantine, Alex Baker, Annie Roberts, Andrew Macdonald and Sally Handford enjoyed their much deserved prizes, but a big well done to everyone. **A big thank you from both of us for the wonderful surprise of the art work presented to us by Shane Green on behalf of all the competitors in recognition of 21 years of organising the Stoop race, we were really taken aback and touched by the gesture. If we carry on for another 21 years we'll be in our 70's, God help us, but would you bet against it?**
