

When you hear the bagpipes playing on Penistone Hill it can only mean one thing it's the last race of the year and your last chance to end the season on a high or put a bad season behind you, either way it'll be time to celebrate afterwards no matter what the outcome. Horwich RMI Harrier Chris Farrell certainly celebrated by winning the race by 16 seconds from Tom Adams who rules the roost over the Haworth Moor races of the Bunny Runs, Stanbury Splash, Withins and Stoop events, and has yet to win the ALS. 'I had no idea of the route, but knew it was more a tough trails race than an out and out fell race which suited me down to the ground. I sat in behind Tom and at Top Withins ruin I just managed to hang on to him as he made his move, on the way back my confidence was growing, at the return beck crossing Tom was just ahead and I was expecting him to pull away since he is a great climber. So I was surprised when I passed him and opened a gap, once on the track I was sure of my speed. That last climb was really tough on the legs though, the boggy ground took it's toll. My Christmas target was the Ribble Valley 10k where I hoped to improve on my 30.35 time, but with the floods cancelling the race the ALS could be run on fresher legs. Top of my wish list for 2016 is to gain a Great Britain vest after just missing out in 2015 I was eighth at the British trial' said the 30 year old winner. Chris has competed on Haworth Moor once before in 2013 at the Withins Skyline race finishing behind Tom Adams and Simon Bailey that day where Tom broke Alistair Brownlee's record. The Brownlee brothers no show was down to that thing called 'common sense' as Alistair put it and with pre selection for the Rio Olympics already achieved, who could blame them for a no risk strategy. Irish international Killian Mooney finished third before birthday boy Chris Holdsworth had a storming run to beat 2013 ALS champ Tom Addison. Horwich RMI Harriers dominated the team with Michael Cayton in ninth backing up Chris and Killian. 2014 Yorkshire Fell champion Tyler Hutchinson a name for the future won the U18's category finishing 21st a very good come back race after recent illness. Chris Leigh in 13th won the V40's, John Mason the V50's, Mike Egner the V60's and Paul Walsh the V70's.

2011 ALS champion Katie Walshaw won the race by leading from start to finish with World Masters FV40 champion Helen Berry second and along with Lucy Byram tenth Holmfirth Harriers won the team prizes. Considering the conditions Helen Berry breaking Aly Raws FV40 record by one minute 18 seconds was outstanding and to quote Helen 'I'm not an old bird, in my mind and my body I'm only 27 and want to compete with the younger runners and always for podium positions'. Helen hasn't done much running since the Masters XC International in Dublin in November, mainly it's been training on the bike doing spinning sessions. Helen did compete in the Tinker Cup six days previous finishing three minutes behind Katie. 'Having only run the shortened course last year, this was my first proper ALS. I was aiming for a top 3 finish. That start was manic I felt as though I was going backwards in the mud whilst everyone else was going forwards, once I did get running I thoroughly enjoyed it especially since it wasn't as boggy on the moor as I expected, which was a bonus. I got passed Nichola Jackson about two miles into the race for second, but then was overtaken by a junior who I now know was Lauren. She gave me a good race, but I was determined not to let a junior beat me. We stayed together round Top Withins, the trig point and the descent off there. I could see Katie ahead and felt we were gaining on her, on the long descent down to the beck I opened a gap on Lauren. The effort I made on the track home to put some distance between Lauren and me probably helped me secure the new FV40 record though! I then had a battle with my club mate, Dan Shaw, who did get the better of me just before the finish! I was pleased that we won the ladies team too, a first for Holmfirth at ALS!' said last years champion Helen. Only 28 seconds behind Helen and chasing hard all the way was 16 year old Lauren McNeil who left British and English FU23 champion Nichola Jackson in her wake, what a fantastic talent for the future, Lauren first appeared on the fells in 2014 and finished first at the Inter County Fell Championships, but was denied the gold medal because she didn't enter under her county. This year she finished fifth in the British Mountain Running champs and World Trials race and won an individual bronze medal behind two scottish girls and a team silver medal when competing for England in the British and Irish Junior Home International in North Wales. Jane Mellor won the FV50's and Wendy Dodds the FV60's.

The fancy dress for this race is unbelievable what themes and ideas people come up with is verging on outrageous and the ridiculous, but much appreciated by everybody, spectators, runners, photographers etc keep up the good work, prizes will always be in abundance for your efforts, with over 35 prizes awarded this year. Hope you all enjoyed your Daleside Old Leg Over beer, whether it had an Alistair Brownlee or Helen Berry picture on the bottle we're sure it helped you celebrate the New Year. Next year will see Chris Farrell and Katie Walshaw adorn the bottle with these two athletes also receiving a 12 bottle case each for their triumphs this year. Remember a race is only as good as it's helpers, so a big thank you to all our volunteers for making the day run so well, remember folks if you're injured or not running all race organisers would welcome any help. Lastly a big up for Daleside Brewery for their help and assistance with the race.
